

## Fundraising Focus

Thank you to those of you who support WCCYM financially. As well as providing money for salaries, it means that we are able to subsidise some events, provide resources, and cover the ongoing costs of working across churches together through WCCYM. If you would be interested in giving a one-off gift, or giving regularly to our work, please contact our treasurer for details:

Churches working together for young people

Welcome to our latest Events Diary. Here you will find an update of WCCYM's recent activities, as well as the relevant dates for the next term.

Since our last update, second baby Thomson has arrived, safe and healthily. As a team, we have been covering Susie's maternity leave to the best of our ability (though, she is always missed and prayed for). This past term has seen some great gatherings and opportunities with young people; from our CUs and mentoring at the college, to Thirst and, our highlight, WCCYM Weekend! With guest speakers, worship leaders and the ever-exciting youth worker gunging, it was a weekend that saw great relationships being forged and huge spiritual movements. Praise God for all that He started and continued. Please visit both our website and Facebook page to see pictures and videos of what we got up to.

We are also very happy to announce that our website has just had facelift (with HUGE thanks to Clare). Please visit [www.wccym.org](http://www.wccym.org) - mark it in your favourites, share it and check it regularly to stay up to date.

This coming term finds us hosting another Live & Acoustic, allowing young people to showcase their talents. In addition we will be organising another punting day out, WCCYM Summer Fest, and we're *REALLY* excited about Night of Champions in April! To top it all off, we have Soul Survivor over the summer.

There is so much coming up, and we are so excited about what God is up to among us all. As always, we are SO thankful for the support that you all give us, be it volunteering, financial, or in prayer.

Please continue to join us in lifting the young people, team and gatherings up in prayer, asking for God to take the lead and be the centre of all we do.

Thanks and Blessings,  
Adrian Semerene (Acting Team Leader)

Communicating the good news of Jesus Christ  
with young people in west Cambridge

West Cambridge Christian Youth Ministries (WCCYM) is a registered charity. No. 1116603

## Coming Up This Term

---

### Night of Champions

**Saturday 23<sup>rd</sup> April 2016, 5pm - 8pm**  
**Cambourne Village College**

An evening of non-conventional sports, designed to be fun and engaging regardless of ability. To compete please register (individuals or teams of 6) by Sunday 10<sup>th</sup> April. Please ask a WCCYM youth worker for a booking form or visit our website.

### Live & Acoustic

**May (date & time to be confirmed)**  
**Abantu Cafe, Manor Farm**

An Open Mic night for young people to share their talents in an informal setting. No need to audition, just turn up to perform on the night. This isn't just for musicians - you might want to perform spoken word, poetry, a monologue, or something else!

## Regular Events

---

Our monthly gatherings, Thirst and Girls' & Guys' Night In, will continue to happen this term. This term also brings our regular summer events such as Punting in June and WCCYM Summer Fest in July. Details for these events will be confirmed shortly, we will keep you up to date via our website and Facebook page. We will also be taking a group to Soul Survivor again this year on the 13th to 18th August, booking forms are available. Please contact us for more information.

## Schoolswork

---

WCCYM and church youth workers continue to be involved in four of our local schools/colleges: Comberton Village College, Cambourne College, Comberton Sixth Form and Swavesey Village College. Various groups happen in each of these, with some pastoral support work happening too. Please get in touch if you would like to ask specifically about any of these, and we can put you in contact with the relevant person.

## Stay Up to Date
